

CURRICULLAM 2024-2025

At Shree Shankara Senior Secondary School, we are committed to providing a holistic education that nurtures intellectual, social, emotional, and physical development. Our curriculum is designed to meet the guidelines set by the Central Board of Secondary Education (CBSE), while also incorporating innovative teaching methodologies and promoting critical thinking and creativity among students.

Key Features:

CBSE Aligned: Our curriculum is aligned with the CBSE guidelines, ensuring academic rigor and adherence to national educational standards.

Holistic Development: We emphasize the development of both academic excellence and life skills through a balanced curriculum that includes academics, sports, arts, and extracurricular activities.

Innovative Teaching: We integrate modern teaching techniques and technology to enhance learning experiences and foster a spirit of inquiry among students.

Focus on Values: Our curriculum includes moral education and value-based learning to instill ethical values, social responsibility, and respect for diversity.

Experiential Learning: We believe in learning by doing, and our curriculum includes hands-on activities, field trips, projects, and interactive sessions to enrich the learning process.

Continuous Assessment: We follow a comprehensive assessment system that includes regular formative assessments, periodic tests, and examinations to track student progress effectively.
